A NOTE FROM YOU:

Christmas card, note of greeting, photo of yourself/your family.

FURTHER INFORMATION

QUALITY CRAFTS: Including a homemade item is a great way to personalise your shoebox gift and send an extra special message of love.

IDEAS FOR QUALITY CRAFTS:

Knitted or crocheted hats, gloves, bags, purses, pencils cases, soft toys or puppets; cross stitched bookmarks; wooden toys; felt play boards; simple games e.g. noughts and crosses or magnetic fishing; friendship bracelets (woven with yarn or embroidery thread); fabric tote bags; handmade jewellery, hair clips or headbands; fabric covered notebooks and handmade cards. For more shoebox craft ideas visit: samaritans-purse.org.uk/occ-quality-crafts.

Please note: any stuffing used needs to be proper toy stuffing and not dried beans or newspaper, etc. Materials must be new or look new and not be worn, marked or damaged. Toys made from recycled wood are fine but crafts which are obviously made from recycled waste items such as bottle tops cannot be sent.

WHY WE PROCESS SHOEBOX GIFTS AND HOW WE PROTECT THE INTEGRITY OF YOUR SHOEBOX WHILST PROCESSING IT:

Every year, at processing centres around the UK, teams of trained seasonal volunteers check the contents of each shoebox before it is sent to a child in need. Their aim is to keep each shoebox exactly as it was packed, by you, our generous supporters, while checking each item against a number of important criteria, such as:

- to make sure we comply with customs requirements of the countries we are sending to
- to make sure we respect the cultural and religious contexts of the communities we are sending to
- to ensure that the items packed are in a clean and safe condition for the child who will receive them.

Occasionally, we might need to remove an item that does not match one of these criteria.

Boxes are not split or shared out and if your box does not include anything from the 'do not include' list and ticks all the above, it will be sent just as it was packed.

Where possible, any items that need to be removed are donated to other charities.

Specially sourced filler items are added where a box is low on items or if something had to be removed.

FREQUENTLY ASKED QUESTIONS

CAN ITEMS WITH CAMOUFLAGE BE INCLUDED?

If the child can wear or use the items without looking like a soldier, they are OK to include in your shoebox gift. Pink or coloured camouflage is safe as are pencils or wallets.

CAN RUBBER BALLS BE INCLUDED IF THEY HAVE LIQUID GLITTER INSIDE? No, these would be considered inappropriate because of the liquid.

IS LIP GLOSS OK TO PACK IN A SHOEBOX GIFT? Lip gloss is a liquid and can't be included. However, a chapstick or lipstick can go!

CAN GLOW STICKS GO IN A SHOEBOX GIFT? No, we are not able to send liquids of any kind.

HOW ABOUT LITTLE TOYS LIKE SPIDERS, BUGS, SNAKES, ETC.? These items are allowed unless they are extremely life-like and could frighten a child.

ARE WATER PISTOLS ALLOWED? We do not allow anything that resembles or could be mistaken for a weapon.

DO I NEED TO LEAVE LABELS AND PACKAGING ON MY ITEMS? Feel free to remove packaging as long as it does not contain information that is needed e.g. building instructions. We would also suggest leaving packaging on hygiene items e.g. toothbrushes and bars of soap.

CAN I INCLUDE TOOTHPASTE AND SWEETS IN MY SHOEBOX? Toothpaste and sweets are no longer considered appropriate items, as more exacting import regulations are starting to be implemented within the countries that receive UK shoeboxes. Detailed evidence of ingredients and expiry dates, which logistically cannot be supplied, will soon be a requirement. By removing sweets and toothpaste, we hope to prevent potential barriers and maintain the access to reach children in all receiving countries.

CAN WE INCLUDE A TOOLKIT WITH NAILS, SCREWS, SCREWDRIVERS, AND HAMMERS? Yes, for shoeboxes in the 10-14 age category. The only tools that cannot be included are saws or pocket-knives. Please ensure anything that is loose or sharp is wrapped so as not to harm the child when they put their hands in the shoebox.

CAN COMPACT MIRRORS GO IN A SHOEBOX GIFT? Yes. Compact mirrors can be included because if the glass shatters, it will be contained.

CAN I INCLUDE A SEWING KIT? Yes, for the 10-14 category. Please ensure anything that is loose or sharp is wrapped so as not to harm the child when they put their hands in the shoebox.

CAN MY NOTE INCLUDE MY ADDRESS? It's a personal choice really. Putting your own address in can sometimes lead to begging letters but on rare occasions can also lead to personal thank you messages. One alternative, if you are concerned, might be to use a neutral address such as a church or school. Whatever you do decide, photos of who sent the box always go down well and are often kept for years.

WHY AREN'T PLAYING CARDS ALLOWED? Our overseas partners have requested we do not send 4-suit playing cards because they can be associated with a culture of gambling and drinking that negatively affects some of the communities of the children receiving boxes. However, we encourage you to include other card games like Snap or Uno.

FREQUENTLY ASKED QUESTIONS

CAN I INCLUDE REUSABLE SANITARY PADS? Sanitary items are not recommended, as the shoebox aims to be a fun gift rather than aid.

IS CLOTHING OR FOOTWEAR ALLOWED IN MY SHOEBOX? We do not recommend that you add large items of clothing or footwear to your shoebox, as it takes up so much room. We want the child to receive a gift that has a good variety of items that they can love, learn from and play with. Small items like hats, gloves, socks, flip-flops or a rolled up T-shirt are fine as long as they do not dominate the box.

HOW DO I KNOW WHAT CLIMATE TO PACK FOR? Unfortunately, we are not able to tell you where your shoebox will be sent before you send it. However, it is our experience that items like hats and gloves are enjoyed in a range of climates. In fact, putting on these items is often the first thing a child does upon opening their shoebox gift. If you do have concerns, we suggest packing items that can be enjoyed wherever the box is sent.

IS PLAY DOUGH OK TO PACK IN A SHOEBOX GIFT? Yes, play dough can be included in your shoebox gift. However, some children might think it is edible, so it is best packed with cutters or as part of a kit.

WHY CAN'T WE SEND RELIGIOUS LITERATURE? We do not send political or religious literature in shoeboxes as the gift itself should be simple and uncontentious in nature. This also allows the local church to manage sensitively the relations with their communities. Literature that comes from the donor's context and in the donor's language – including Christian content – can confuse and mislead the children. Instead Operation Christmas Child works hard to support the overseas churches to share the Christmas story of new life in Jesus in a child-friendly way both verbally and through The Greatest Gift and The Greatest Journey materials in the local language. Where local partners assess it's not appropriate to offer these materials, they don't do so.

CAN WE SEND SECOND HAND ITEMS? We cannot send obviously used items as most customs regulations require items to be new. Also, many children are more worldly wise than we realise and would be aware of the difference between someone's unwanted items and a box of brand new gifts bought just for them. We feel that as the children have so little they deserve the best we can offer.

ARE HANDMADE AND KNITTED ITEMS SUITABLE FOR SHOEBOXES? Yes, high quality handmade items such as hats, gloves, scarves, bags, purses, pencil cases, puppets and toys can all be packed, providing any stuffing used is proper toy stuffing and not dried beans or newspaper etc. Toys made from recycled wood are also great gifts to pack, but crafts obviously made from waste items such as bottle tops cannot be sent.
