

BLACON ON THE MOVE

At Holy Trinity Church

Our minibus has 16 passenger seats. It has a lift to enable a wheelchair to be lifted on board: with one wheelchair there would be room for 10 other passengers.

Who is Blacon on the Move for?

This is a project designed for Blacon residents. Those who benefit will not be charged a fare for their transport, however they can make a contribution towards the costs of keeping the vehicle on the road.

BLACON ON THE MOVE is a project providing accessible transport to community groups in Blacon. The minibus is primarily for use by **Holy Trinity Community Outreach Project**. It is driven by our volunteer driver who will collect people by prior arrangement from their homes (*or another convenient location*) and take them to the activities at Holy Trinity. This is on **Monday, Tuesday and Thursday mornings**. Outside these times, the minibus can be booked by not-for-profit community groups.

What does it cost?

Minibus costs: £5.00 per hour (*rounded up*), max £50/day

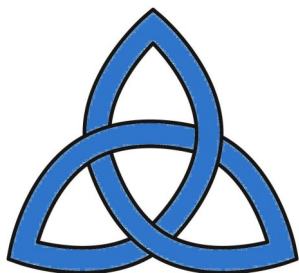

25% discount for 5 or more bookings

Mileage: 45p per mile (*for long journeys of 50 miles plus, we will fill the fuel tank up and ask for it to be returned full*)

Driver is extra: £10 per hour

If you want to use your own driver, for our insurance purposes, you will need to supply us with evidence that your driver is aged between 25-69 years, and has a clean driving licence (we will need a copy of your Licence Summary available from the gov.uk website for our records).
